

How to order BEKEMV[®] ▼ (eculizumab)

1) Direct to hospital

Orders should be placed via Amgen UK & Ireland Customer Service:

- Email: cs-uk@amgen.com
 - Tel: 020 3024 0072
 - Hours: 8:30am - 16:30pm (Mon - Fri)
- Please place all orders in the same way as any other Amgen product. Normal orders should be placed via Electronic Data Interchange (EDI) whenever possible.
 - We endeavour to deliver all validated orders placed by 4:00pm by the next working day, however, please allow 2 working days when ordering.

2) Transition into Homecare

How to refer your patients into the AMGEN Homecare Service:

The choice of Homecare provider sits with the prescribing hospital.

The home infusion service for patients is provided by the following homecare providers:

Alcura	Healthnet	Sciensus
Email: alcura.alcurapatientsservices@nhs.net Address: Alcura House Caswell Road Brackmills Industrial Estate Northampton NN4 7PU	Email: healthnet.homecare@nhs.net Address: Pharmacy department Unit 3 Ardane Park Phoenix Avenue Green Lane industrial Estate Featherstone West Yorkshire WF7 6EP	Email: hah.registrationteam@nhs.net hah.e-prescriptions@nhs.net hah.urgentert@nhs.net Address: Sciensus Prescription services 107 Station Street Burton-on-Trent DE14 1SZ

Home infusion may be considered for patients who have tolerated infusions well in the hospital. The decision of a patient to receive home infusions should be made after evaluation and recommendation from the treating physician.

Please refer to section 4.2 of the SmPC for more information on BEKEMV[®] ▼ (eculizumab)
<https://www.medicines.org.uk/emc/product/15378/smpc>

A Homecare registration form is required to refer patients into Homecare.
